## Pan-Icarian Brotherhood of America "ICAROS"

Headquarters of the Supreme Lodge

January 23, 2013

Mrs. A. Vassilaki/ Manager of Agios Kyricos-Ikaria Hospital

Dr. S. Droulias/ President of Ikaria Hospital Labor Union

Re: Our Support of your efforts to keep the Hospital of Ikaria open & vital

Mrs. Vassilaki and Dr. Droulias,

On behalf of all the members of the Pan-Icarian Brotherhood of America I extend to you our support and help in your ongoing efforts to keep Ikaria's Hospital operating at its current capacity. I know how vital the Hospital is to the continued well-being of the Island's citizens and to the many visitors who come to Ikaria each year. I find it ironic that the government's threats of closure comes at a time when Ikaria is beginning to enjoy a reputation as place whose people are healthier and live longer than most. Surely the availability of a fully functioning hospital and a dedicated team of doctors, nurses and technicians, in place since the late 1950's, has some impact on this wonderful longevity.

Please know that our members here in the States and in Canada are aware of your plight and will continue to voice our objections to any potential closure. As someone who knows first-hand the importance of how critical the availability of prompt professional medical care is; (both my parents, my in-laws and my daughter have been patients at the Hospital over the years), I will use whatever resources are available to ensure that the Hospital continues to serve Ikaria and her progeny, be they local or visiting from other shores.

I thank you ,

George N. Koklanaris

President/ Pan-Icarian Brotherhood of America "ICAROS"
